

THE FIREWORK-MAKER'S DAUGHTER

Based on Philip Pullman's award-winning novel, this new intimate and fun production is inclusive and accessible for all, featuring Makaton, puppetry, and lots of audience participation...

This wonderful adventure features talking elephants, silly kings, magical creatures, and the timeless message that we all have the power to become the person we dream of being.

Aimed at KS2 pupils, this 1 person, 45 minute show tours with minimal set and can appear wherever you need it - school halls, classrooms, even playgrounds!

WHY BOOK THIS PERFORMANCE FOR YOUR SCHOOL

ENCOURAGE READING FOR PLEASURE

As the performance is based on a popular children's book, it will encourage pupils to read for pleasure by immersing them in our story; showing them the different forms books can take, bringing characters and plots to life and inspiring their own imagination and story writing skills.

INCREASE ENJOYMENT OF STORIES

Our exciting performance ignites the enjoyment of stories and plays for KS2 pupils.

RESOURCES FOR TEACHERS

Our offer comes with pre and post show activities meaning that the engagement in this story can easily extend into the classroom.

EQUITABLE ACCESS TO ARTS & THEATRE FOR ALL PUPILS

Nearly half of all UK parents (42%) won't be able to afford to take their child to a pantomime or theatre show this winter. We are keeping the cost of this performance as low as we can at £300, and for this can perform to 1 or 2 classes at a time.
