

Your Gifts

We want you to think about your gifts.

You might want help from someone who knows you well.

Lila needed four gifts to become a Firework Maker:

1. **Talent**
2. **Courage**
3. **Friendship**
4. **Wisdom**

We're all good at something, what's your **talent**?

When have you been **brave**?

Have you ever had help from or helped a **friend**?

When have you worked hard to learn something new and become **wiser**?

Keep this reminder so you never forget that your gifts are already inside you.
