Sentence Strips - The Firework Maker's Daughter - Next Door But One

 Lila  wanted to  be a Firework  Maker  like  her  dad.

 Lila's  dad  didn't think  girls  should  make  fireworks

 so he  wouldn't tell  her  how to  become a  Firework  Maker.

 Lila  had  two  best friends  who  both  worked  at  the  king's  palace

 Lila's  friends  were  Chulak  and  his  elephant  called  Hamlet

 Chulak  told  Lila  that  to  become  a  Firework  Maker  she  would  have to  get  a  gift  from  the  fire  god

 The fire  god  was  called  Razvani

 So Lila  traveled to  Razvani's  mountain.

 When  Lila's  dad  found out  he  knew  that  Lila  was  in  danger.

 Lila  would  need  the water  from  the Goddess  of the  Lake  to  keep  her  safe  from  Razvani's  fire.

 Chulak  and  Hamlet  sneaked  out of  the  palace  to go  rescue  Lila.

 Lila  travelled  far  to the  top  of the  mountain.  The  mountain  was  very hot

 There,  Razvani  asked  Lila  for  three  gifts  and  made  her  walk  across  burning  coals.

 Meanwhile  Lila's  friends  Chulak  and  Hamlet  got  the magic  water  that  Lila  needed  from  the Goddess  of  the lake.

 Just as  Lila  thought  she  could not  cope  with  the heat,  her  friends  arrived  to  help  her.
